

THE KNITTING PILGRIM

BEACH UNITED CHURCH | TORONTO
SATURDAY, MAR 7, 2020 8:00PM

written by Kirk & Claire Dunn, directed by Jennifer Tarver

**15 years of knitting. 90 pounds of yarn.
One man's artistic and spiritual journey.**

"A stunning piece of theatre... glorious and so moving." - Lynn Slotkin, The Slotkin Letter

"I do not write these words lightly. The Knitting Pilgrim is the most beautiful show I've seen at the Ottawa Fringe. My life would be diminished if I hadn't seen it. It is a 15-year response to 9/11." - Brian M. Carroll, Apt613

A one-man multidisciplinary show that combines personal storytelling, image projection, and three huge hand-knitted panels called "Stitched Glass."
